

TABLETOPS

In today's fast changing construction industry, the CSI Central Iowa chapter would like to offer vendors a unique opportunity to keep CSI members up-to-date with their products and services. Three 5-minute time slots will be available at CSI meetings for vendors to give a brief overview of their new or on-going products/services and provide a Tabletop display of product samples, brochures, or information to our members.

"Tabletops" offer flexibility - you can chose one or many items/services to highlight; exposure – a specific, targeted audience of people active in the construction industry are present at the meetings; and opportunity – you can get to know members both before and after the meeting and discuss your products/services with your potential designers and clients. Tabletops provide our members up-to-date information and offer networking opportunities for a very reasonable cost.

Fee: CSI Central Iowa Chapter Members: \$50.00 (meal included with your membership)
Non-Members: \$75.00 (includes cost of one meal, additional meals at \$20)

The schedule of chapter meetings and proposed meeting topics is posted on CSI Central Iowa's website under the "Calendar" tab: (<http://www.csicentraliowa.org>). Your Tabletop product/information does not need to apply to the subject of the meeting – just be informative for the CSI members.

Reservations: Complete the following form to schedule your Tabletop.
Email completed form to Steve Watrous (steve@autodoorgroup.com) or contact Steve by phone at 515-264-0782 no later than noon of Friday prior to date of chapter meeting.

NAME: _____
COMPANY: _____
ADDRESS: _____
